

Andrii Demchenko

Front-end Developer

I am professionally growing and always motivated to actively learn. I strive for the highest quality standards and aim for the best results in my work. I have a wide range of plans and ambitions in life, which drive my persistence in achieving my goals. I believe that communication and collaboration with colleagues are key to success, so I always seek to create a positive and conducive work atmosphere. On the one hand, I am open to different points of view, but I am also ready to defend my position in an argumentative manner when necessary.

Documentation

Latest projects

Portfolio Website
My personal web site is developed on React, where all my projects and information about me are presented.
<https://andrew-demchenko.github.io>

Marvel Info App
Here I worked with "Marvel API". A lot of functionality was implemented in the application using many libraries, hooks, etc.
<https://project-7-marvel-info-port...>

RunSmart Website
Landing for the sale of smart watches.
<https://.../project-3-run-smart>

Movie database
The application is written in typescript, using movie db.
