

# Andrii Demchenko

## Front-end Developer

I am professionally growing and always motivated to actively learn. I strive for the highest quality standards and aim for the best results in my work. I have a wide range of plans and ambitions in life, which drive my persistence in achieving my goals. I believe that communication and collaboration with colleagues are key to success, so I always seek to create a positive and conducive work atmosphere. On the one hand, I am open to different points of view, but I am also ready to defend my position in an argumentative manner when necessary.

## Latest projects

### Portfolio Website

My personal web site is developed on React, where all my projects and information about me are presented.

<https://andrew-demchenko.github.io/>

### Marvel Info App

Here I worked with "Marvel API". A lot of functionality was implemented in the application using many libraries, hooks, etc.

<https://project-7-marvel-info-port...>

### RunSmart Website

Landing for the sale of smart watches.

<https://.../project-3-run-smart>

### Movie database

The application is written in typescript, using movie db.
