

Andrii Demchenko

Front-end Developer

I am professionally growing and always motivated to actively learn. I strive for the highest quality standards and aim for the best results in my work. I have a wide range of plans and ambitions in life, which drive my persistence in achieving my goals. I believe that communication and collaboration with colleagues are key to success, so I always seek to create a positive and conducive work atmosphere. On the one hand, I am open to different points of view, but I am also ready to defend my position in an argumentative manner when necessary.

Documentation

Latest projects

Portfolio Website

My personal web site is developed on React, where all my projects and information about me are presented.

RunSmart Website

Landing for the sale of smart watches.

Movie database

The application is written in typescript, using movie db.

Marvel Info App

Here I worked with "Marvel API". A lot of functionality was implemented in the application using many libraries, hooks, etc.

Project 7

<https://project-7-marvel-info-port...>

Project 5

The application is written in typescript, using movie db.

Project 3

<https://project-3-run-smart.vercel.app/>

Experience

- Feb. 2021 – Dec. 2022 | 1y. 9m.

royalfasade.ua

Performed the role of sales manager, measurement and calculation engineer, production and procurement manager.

Sales Manager:

- Developed communication skills and interaction with clients, which is useful in working with the team and project customers.

Measurement and calculation engineer:

- Acquired skills in working with precise measurements and calculations that can be applied to create and optimize user interfaces.

Production and purchasing manager:

- Developed project management and coordination skills that can be useful for working in a development team.

- Feb. 2023 – for now

uiverse.io

As a UI components creator:

- Crafting diverse interface elements of various types and complexity is my forte.
- Successfully implementing over 110 components showcases my proficiency.
- Actively participating in competitions for outstanding work has resulted in several works earning prize placements.

- May. 2023 – for now
