Andrii Demchenko

Front-end Developer

I am professionally growing and always motivated to actively learn. I strive for the highest quality standards and aim for the best results in my work. I have a wide range of plans and ambitions in life, which drive my persistence in achieving my goals. I believe that communication and collaboration with colleagues are key to success, so I always seek to create a positive and conducive work atmosphere. On the one hand, I am open to different points of view, but I am also ready to defend my position in an argumentative manner when necessary.
